Decision condemning the Israeli aggression against the Palestinian people

The Palestinian people in the occupied territories are subjected to continuous aggression by the Zionist occupation Government, and its pace has accelerated in recent days, and it still is, and a number of martyrs have fallen, most of them children and women.

The participants in the second conference of retirees of Arab countries, held in Beirut on 10 and 11 May 2023, the Trade Union Unions of Pensioners of Arab Countries, member of the International Union of Pensioners' and Pensioners' Unions (IUIS for PeR) of the Federation of World Trade Unions (WFTU) in cooperation with the Association of Alumni of the Lebanese University (APUL) (this conference was named Congress of Dr. Chebib Diab, head of the Association of Former Professors of the Lebanese University, deceased during its sessions), condemn the Israeli aggression against Gaza City and other cities, and affirm their full solidarity with the right of the Palestinian people to self-determination on their land, and to establish their independent State with Jerusalem as its capital, and the participants in the Conference call on the international community and international organizations to demonstrate their Solidarity with the Palestinian people to put an end to the continuing aggression and end their treacherous occupation so that they can enjoy peace and harmony.
